DARUVAR – THE CRANE’S TOWN

The same of the town, Daruvar, has origins from the Hungarian language, Daru – crane, var – town, and all because of the crane’s figure at the central position in the court Antun Janković coat of arms. While the crane stands on one foot, it holds a rock as a symbol of eternal vigilance while on guard duty. By building a baroque castle on a small hill above the town center, count Antun Janković named the castle Daruvar, which in the second half of the 18th century broadened the town ell. This splendid baroque castle of eternal vigilance while on guard duty.

By building a baroque castle on a small hill above the town center, count Antun Janković named the castle Daruvar, which in the second half of the 18th century broadened the town ell. This splendid baroque castle of eternal vigilance while on guard duty.

In 2013 Daruvar was chosen as the 1st runner-up in the European Destination of Excellence awards for "Accessible Tourism." The combination of greenery and urban architecture, multiculturalism, fertile vineyards and friendly people are just some of the reasons that have contributed to these awards and titles.

Attractions in the town center
